

FORM OF UNQUALIFIED REVIEW REPORT

Review Report To...

We have reviewed the accompanying balance sheet of ABC Company at December 31, 19XX, and the income statement, statement of changes in equity and cash flow statement for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the International Standard on Review Engagements 2400 (or refer to relevant national standards or practices applicable to review engagements). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying financial statements do not give a true and fair view (or are not presented fairly, in all material respects) in accordance with International Accounting Standards.
